Our Winemakers

Each of our vineyard sites across the globe showcase characteristics that are unique to their respective location, elevation and terroir. It is the ongoing efforts of our winemakers to tell these stories of place – and they accomplish this through the singular expressions of the wines they craft from these world-class sites.

Over the past 25 years these “artists of the vineyards” have honed their expertise in each of these drastically different, yet equally rewarding regions, to present the purest expressions of place in the bottle. The dedication these winemakers have to their craft, the land, and our collectors is unparalleled – and will continue to be a cornerstone of our vision for the future of The Spire Collection.

CHRISTOPHER CARPENTER

CALADAN, CARDINALE, HICKINBOTHAM, LA JOTA VINEYARD CO., LOKOYA, MT. BRAVE

Chris grew up outside Chicago and developed a thirst for knowledge. With an intellect geared for science and a physique built for athletics, he earned an undergraduate degree in biology at the University of Illinois, Champaign-Urbana, while playing Big Ten football.

During a visit to Napa Valley in 1993, Chris discovered a lifestyle that could challenge him both intellectually and creatively, while combining his love of science with his growing passion for culinary and wine pursuits. This led to earning a master’s degree from UC Davis in both viticulture and enology. He studied further in Italy at the Tenute Antinori, Santa Cristina Estate, now known as Tignanello. Chris credits his time in Italy with teaching him how wine, food and culture are all intertwined.

In 1998, Chris ultimately found himself back in Napa Valley and is now winemaker for many of Napa Valley’s most prestigious wineries, including Cardinale, Lokoya, La Jota Vineyard Co., Mt. Brave, Caladan, and Hickinbotham in South Australia’s McLaren Vale. Over the past two decades, Chris has earned a reputation for taming Napa Valley’s mountain tannins and creating legendary Cabernet Sauvignon. He believes in maximum attention in the vineyards and minimal intervention in the winery to create the purest expression of place.

LAWRENCE CRONIN

TENUTA DI ARCENO

Growing up in New York City, Lawrence Cronin was always aware of his Italian heritage. His mother’s family goes back hundreds of years in the small town of Castellammare del Golfo, a picturesque fishing village on the northwest coast of Sicily. Visits to the old country during his youth made the relocation relatively seamless years later when Lawrence moved to Tuscany to make wine at Arceno.

Lawrence began his professional winemaking career in 1995 at Edmeades Winery in the Anderson Valley region of California’s rugged Mendocino County. Prior to joining Tenuta di Arceno, Lawrence also worked at a number of other prominent wineries worldwide including Firriato in Sicily, Cloudy Bay in New Zealand, Cape Mentelle in Australia and Calina in Chile.

Lawrence was hired as the Winemaker for Tenuta di Arceno in 2002. With guidance from Vigneron Pierre Seillan, he has helped elevate this historic estate into the upper tier of Tuscan producers.

MELANIE CHESTER

GIANT STEPS

Melanie Chester joined Giant Steps as Head of Winemaking and Viticulture on November 24th, 2021. She comes to Giant Steps from Sutton Grange Winery in Central Victoria, where she was Head Winemaker.

Melanie completed her studies in Viticulture and Oenology at the University of Adelaide, where she was the recipient of the Wolf Blass Prize for Excellence in Winemaking (2011) and the David Bradley Memorial Prize (2012), indicating the promise of an outstanding contribution to the wine industry. Her wine industry experience spans diverse estates such as d’Arenberg in the McLaren Vale, Charles Melton in the Barossa, and Quinta do Crasto in Portugal’s Douro Valley. Prior to her appointment at Sutton Grange, Melanie was Winemaker at Seppelt Wines in Great Western where she became a sought-after wine show judge, including for the Royal Melbourne Wine Awards where she currently serves as panel chair.

In 2014, Melanie became the youngest ever scholar selected for The Len Evans Tutorial. In 2015, she was named Young Winemaker of the Year by Gourmet Traveller WINE magazine, and in 2018, Melanie was recognized by Young Gun of Wine as the People’s Choice award winner for favourite winemaker.

PETER FRASER

HICKINBOTHAM, YANGARRA

Peter Fraser has been the winemaker and driving force behind Yangarra Estate Vineyard since 2000. With a sensitive approach to winemaking, Peter believes attention to detail is essential at every step of farming and making wine. His approach relies on observing, questioning and responding to the nuances of each vintage, yielding honest and confident wines of provenance. Peter’s near obsession with texture and purity drives decisions in the vineyard and innovation in the winery, evidenced by his experimentation with stone and ceramic vessels for fermentation and aging.

Peter is a scholar of the Len Evans Tutorial and is actively involved in regional and state wine shows around Australia, holding the position of panel chair and judge.

Recognized for his leadership with Grenache and Shiraz, he has been nominated and awarded “Winemaker of the Year” by global wine publications, including Halliday Wine Companion (2015), Gourmet Traveller Wine (2017), and Wine Enthusiast (2018).

“At Yangarra, Peter Fraser is consistently producing some of Australia’s finest Grenache and Shiraz wines. He is a brilliant specialist with Southern Rhône varieties and almost everything he touches is gold.” – Andrew Caillard, MW.

FABIAN KRAUSE

ZEITLOS

As an apprentice for a winery in Franconia, Fabian began his career in his native Germany at the age of 16. While immersed in all aspects of viticulture and enology, his passion for wine flourished and he knew he had found his life’s pursuit. In 2009, after achieving a dual degree in wine business and viticulture and enology, he was appointed winemaker for a family-owned winery with 200 acres of vineyards in the Rheingau region.

From there Fabian gained experience in other areas of Germany working as a consulting winemaker for several small producers. His travels took him to Italy, where he worked harvest in Alto Adige and grew passionate about high-elevation Sauvignon Blanc. Following harvests in Burgundy and Bordeaux, he found his way to Sonoma County in 2014. In a life-changing role, he worked alongside Vigneron Pierre Seillan at the renowned Vérité Estate where he immersed himself in the complexity of soils and climates of Sonoma County.

Following this experience, Fabian decided to remain in Sonoma County to pursue his winemaking career. He began seeking out the best vineyard sites for German-inspired Riesling in Sonoma County, and Zeitlos was born.

ANDRÉS SÁNCHEZ

DAKÉL

A native Chilean, Andrés has made it his mission to produce wines that would eloquently convey the story of the country’s terroir. He has forged an international reputation as one of South America’s most talented and well-travelled winemakers. After earning an agronomy degree, he began his career at Domain Oriental Winery in Chile. Subsequently, he worked with Randy Ullom and served as winemaker at both Viña Calina and Alcance wineries. Andrés credits his past winemaking experiences in Argentina, California and Italy for helping him to understand Chile’s potential. As one of the founders of VIGNO, an organization dedicated to the preservation of old-vine Carignan in Chile, Andrés is passionate about the expression of terroir. For him, DAKÉL embodies the pinnacle of quality.

HÉLÈNE SEILLAN

CENYTH, VÉRITÉ

Born in 1987, Hélène Seillan spent her childhood in both France and California, surrounded by family and friends for whom winemaking was as much a passion as it was a profession.

Following in her father’s footsteps, Hélène pursued a career in winemaking and began splitting her time between Sonoma County and Saint-Émilion. Starting in 2006, she served as assistant winemaker for her father at the family’s Bordeaux estate, where she worked on all aspects of winery management showing the same talent, passion and ability as her father. Hélène studied Viticulture and Oenology at the Institut Rural de Vayres in Bordeaux.

Hélène crafted the inaugural 2009 vintage of Cenyth in Sonoma County, California. As the winemaker for Cenyth, Hélène is defining her own style through her experience in the vineyards of France and her passion for Sonoma County terroir. Today, Hélène also works alongside her father as assistant winemaker for Vérité.

NICOLAS SEILLAN

CHÂTEAU LASSÈGUE

Born into a family of vigneron, Nicolas Seillan learned winemaking and viticulture from an early age in Bordeaux with his father, Pierre. He honed his technique through early internships in winemaking and cork manufacturing in California and Bordeaux.

“Watching my father managing estates and crafting wines as I was growing up, I learned to observe and respect nature, and also to work with integrity and perseverance,” explains Nicolas. “From a young age, he trained me to produce wines that reflect their origins by listening to instinct and staying close to your roots.”

In 2006, as a seventh-generation vigneron, Nicolas arrived at Château Lassègue in Saint-Émilion, where today he oversees all aspects of winemaking and viticulture, as well as the finance and management of the estate. In his capacity as Vice President, Nicolas also works closely with the local team in Tuscany at Tenuta di Arceno, an estate close to his heart where he first worked with Jess Jackson in the early years of his career.

PIERRE SEILLAN

ANAKOTA, CHÂTEAU LASSÈGUE, TENUTA DI ARCENO, VÉRITÉ

Pierre Seillan has spent the past five decades perfecting his micro-cru philosophy to create world-class wines. His passion lies in crafting wines from diverse terroirs, using the same approach to capture the unique expressions of Sonoma County, Bordeaux, and Tuscany in each vintage.

Seillan’s career in the wine industry began at Bellevue, his family’s estate in Gascony, France, where he learned to grow Cabernet Sauvignon, Merlot, Cabernet Franc, and several white varieties. Later he focused on Cabernet Franc at Château de Targé in the Loire Valley. Seillan then spent two decades in Bordeaux making wine at several châteaux for Raoul and Jean Quancard. While working across eight different appellations, he quickly discovered the many nuances within various vineyard sites. This became the backbone of his micro-cru philosophy and allowed him to build the elegant and complex architecture of his wines

Today, Pierre is a renowned global vigneron with decades of experience. In Sonoma County, California, Pierre works alongside his daughter, Hélène, to craft the wines of Vérité and Anakota. In Saint-Émilion, Bordeaux, Pierre works with his son, Nicolas, in making the wines at Château Lassègue. In Tuscany, Pierre works closely with the Italian team to craft the DOCG and IGT wines of Tenuta di Arceno.

KRISTINA SHIDELER

STONESTREET

Born in San Diego and raised in Missouri, Kristina attended University of Missouri where she double-majored in Biochemistry and Agricultural Economics. In 2007, she interned with a Missouri winemaker, working her way from the vineyards and bottling line to the cellar.

Following harvest stints in New Zealand, Kristina enrolled at the University of California Davis Viticulture and Enology Masters of Science program in 2009, specializing in viticulture coursework.

Kristina’s next adventure took her to the steep vineyards of Neipoort Vinhos in Portugal’s Douro Valley. She became fascinated by the unique complexities of mountain vineyards. Kristina’s subsequent experiences at Bodega Caelum in Mendoza, Argentina as well as Vérité and Arrowood in Sonoma County, California, cemented her desire to produce artisan Bordeaux wines reflecting the terroir of truly remarkable vineyard sites.

As winemaker for Stonestreet Estate Vineyards she works closely with the cellar and vineyard teams to make wines of extraordinary balance, complexity, and beauty. Kristina is passionate about crafting distinctive Cabernet Sauvignons and Chardonnays from Stonestreet’s Mountain Estate.

RANDY ULLOM

DAKÉL

A native of Ann Arbor, Michigan, Randy Ullom grew up watching his father make wine at home as a hobby, but it wasn’t until he spent three years on sabbatical from college in Chile, where he embarked on a cross-country trek through wine country, that he realized he wanted to pursue a career in viticulture and enology. After exploring Chile’s vast winegrowing regions, he returned to the United States and earned his degree in the field from The Ohio State University in 1975, graduating summa cum laude.

Randy moved to California in 1981, where he accepted a position as associate winemaker at DeLoach Vineyards in Sonoma County. In 1993, Randy was hired by Jess Jackson to reopen Edmeades in Mendocino and act as winemaker for the launch of the new Jackson Family label Camelot Vineyards in Central California. One of his first assignments at Kendall-Jackson was to establish a presence in Chile, where he met the astute and enthusiastic, Andrés Sánchez. Later, Randy and Andrés joined forces to oversee the winemaking process at Viña Calina and Alcance wineries, eventually leading to the launch of DAKÉL Wines from Chile’s Itata Valley.

GRAHAM WEERTS

CAPENSIS, DALKEITH

Graham Weerts is a Cape Town native, where he spent his childhood and the early part of his winemaking career. It was almost inevitable that he would pursue winemaking. It’s a career that draws upon his agricultural heritage and his love of the outdoors, while also offering creative outlets and an intellectual challenge.

Graham began his career working harvests in South Africa, in both the vineyards and the winery. His stint as a cellar hand secured him the post of assistant winemaker at Mulderbosch Vineyards, where he assisted with the production of their iconic Chardonnay and Chenin Blanc. Graham then spent a season working for Château de Terrefort-Quancard in Bordeaux. In that time, he earned his degree in viticulture, wine science, and pomology from the Elsenburg Agricultural College in Stellenbosch in 1996.

Today, Graham oversees vineyard and winemaking operations for our two wineries in South Africa, Capensis and Dalkeith. Graham has mastered mountain winemaking in the Western Cape by crafting expressive wines with complexity and unmatched potential.

SARAH WUETHRICH

MAGGY HAWK, WINDRACER

Sarah Wuethrich grew up in Cupertino, California, and arrived at the University of California at Davis intending to be an atmospheric science major. When she needed a few extra credits for her first semester, her father – a hobby winemaker – suggested she take an enology class, and the rest is history.

After graduating with her Viticulture and Enology degree in 2001, Sarah made her way to Sonoma County and honed her technical skills for several years at St. Francis and Lambert Bridge. When she and her best friend were invited to co-found a new wine label for Naked Wines, she jumped at the chance and spent several years making wine from lesser-known Portuguese varieties grown in small, forgotten California vineyards.

In 2010, Sarah made the fateful decision to join Copain Wines as Assistant Winemaker, working closely with co-founder and winemaker Wells Guthrie. It was there that she fell in love with Anderson Valley and the incredible grace of its cool-climate wines. Her passion and expertise with Anderson Valley made her the natural choice to take over as Winemaker for Maggy Hawk in 2017.

“There is a wildness about Anderson Valley. It’s still very untouched, rural, with a small-town feel. The future of Anderson Valley is limitless in my mind.”

KNIGHTS VALLEY VIDEO

Grown in the volcanic soils of our estate-owned, Knights Valley vineyards, Anakota embodies the rustic elegance and spirit of rural Sonoma County. Our vineyards dart and weave their way around cold mountain streams, thick underbrush, groves of native trees and open fields. They follow the subtle contours of the earth climbing up the southwest facing hillsides of our property.

What began as a singular Cabernet Franc wine has grown into a philosophy. With our Cabernet Franc and Proprietary Red Wine, winemaker Christopher Carpenter explores the more delicate, nuanced side of Napa Valley’s powerful mountain terroir. By showcasing the graceful complexity of distinguished old-world varieties other than Cabernet Sauvignon, Caladan opens an entirely new perspective on Napa Valley’s famed mountain terroir.

These charismatic bottlings honor the essence of four Napa Valley mountain appellations: Spring Mountain District, Howell Mountain, Diamond Mountain District, and Mount Veeder.

The Yverdon Vineyard on Spring Mountain typically provides the foundation for both our Cabernet Franc and Proprietary Red Wine. Stretching skyward up to 2,000 feet above sea level, this is the coolest of our sites, with a geology dominated by sedimentary soils. These features produce the vineyard’s signature floral and red fruit aromas and fine tannin structure that make these Napa Valley mountain wines so expressive.

CARDINALE

Cardinale, located in Napa Valley’s world-renowned Oakville District, was established in 1982 and crafts a single Cabernet Sauvignon from each vintage.

Each of our esteemed mountain vineyards creates a beautiful note unique to their location, but the composition they create together results in a remarkable symphony of flavor and texture. Diamond Mountain District contributes dark cherry, bittersweet chocolate and great midpalate body. Howell Mountain delivers dark fruit flavors, earthiness and minerality. Spring Mountain District adds red fruit characteristics, satiny tannins and superb aging potential. And Mount Veeder bestows notes of blue fruit and minerality, along with the wine’s structure.

2019 CABERNET SAUVIGNON

The 2019 offers great primary fruit characters, with tons of rose petal, cedar, espresso bean and pain grillé. The ’19s have a compelling savory aspect that really comes through in this wine – a perfect frame for the intense, dark fruit of the mountains.

VINEYARD MAP

HISTORY OF ACCLAIM

Founded in 1990 by Jess Jackson, the Legacy label was first created to mark the finest cellar-worthy reds from his mountainous Stonestreet Estate. With the launch of a heritage clone Chardonnay in 2018 and the acquisition of the historic Field Stone vineyard by the Jackson family, Legacy grew into something still greater—a standalone project that celebrates the past, present and future of Alexander Valley.

Legacy’s Red Wine and Chardonnay are hand-selected from the appellation’s soaring mountain estates, hidden heritage sites, and storied old vines. These wines capture the soul of Alexander Valley in each vintage. From canopy management to the final blend, winegrowing decisions put quality and longevity first. Enduring and profound, these wines are a Legacy in the truest sense of the word.

2014 RED WINE

The Legacy Red Blend assembles Bordeaux varietals from superior blocks in the Jimtown vineyard, Legacy vineyard, and Alexander Mountain Estate. Cabernet Sauvignon predominates, with smaller amounts of Cabernet Franc and Petit Verdot adding greater aromatic complexity and depth. An uncompromising attention to detail defines this wine, from pruning and leafing decisions to the final blend. Hand-picked at dawn and sorted by hand, the grapes are vinified in small upright fermenters made of French oak.

2016 CHARDONNAY

This heritage-clone Chardonnay is sourced from the Upper Barn and Cougar Ridge vineyards at the rugged upper reaches of the Alexander Mountain Estate, between 1,600 and 1,800 feet above sea level. Hand-picked and hand-sorted, the fruit is gently pressed and allowed to ferment naturally in barrel with wild yeasts from the vineyard. The lees are then stirred monthly during malolactic fermentation for superior aromatic and textural finesse.

LOKOYA

Established in 1995, Lokoya is a collection of four distinct Cabernet Sauvignons from four of Napa Valley’s most celebrated mountain appellations: Mount Veeder, Howell Mountain, Spring Mountain and Diamond Mountain. These limited-production wines are 100% Cabernet Sauvignon, fermented with native yeast, and bottled unfined and unfiltered, resulting in the purest expression of place.

Cabernet Sauvignon as lens, site as conveyor-the grape variety and winemaking for the four wines remain constant, allowing the vineyard sites to shine with the climate, soils and sunlight all fully expressed in the glass.

Given the high elevation of the sites, the vineyards demand constant attention. The deep understanding of the vineyard trajectory in each vintage comes from Winemaker Christopher Carpenter’s years of expertise. Intervention is kept to a minimum both in the vineyard and in the cellar, leaving the fruit to express itself as naturally and eloquently as possible.

2019 MOUNT VEEDER Cabernet Sauvignon

The 2019 Lokoya Mount Veeder offers blueberry pie, a hint of molasses, jasmine floral notes, Asian spice, toast and a lifted acidity that combines with a backbone of structural tannins to create a forever finish.

HISTORY OF ACCLAIM

SKYCREST VINEYARD MAP

MAGGY HAWK ON VIMEO

MAGGY HAWK

At Maggy Hawk, our purpose is to craft exceptional Pinot Noir and Chardonnay. We take inspiration from the beauty of our Anderson Valley estate vineyards while continuing to seek out cool-climate sites. We focus on the purity of the grape, and the natural elegance found within.

The northern half of Anderson Valley – what locals call The Deep End – is typically shrouded in a thick fog that rolls in from the nearby Mendocino coastline. Here, our Maggy Hawk Estate Vineyard, family owned since 1994, is tucked away among the valley’s rolling hillsides, surrounded by redwoods. The diversity of our vineyards gives our winemaking team a wealth of characteristics to layer into the Maggy Hawk wines. Each has its own style and story to tell. Together, they offer a unique view of this remote region.

2020 JOLIE Pinot Noir

Expressive, silky, and refined. Jolie is an incredible blend of crushed raspberry, black cherry, and jasmine tea with subtle cinnamon stick aromas. Bright acid on the palate lifts notes of cranberry, fresh cardamom spice and pine forest. Subtle tannins frame the wine and provide a delightfully long finish.

SRP	COMPOSITION	WINEMAKING
\$70	100% Pinot Noir	16 months in French oak, 20% new and 17% in new 500L Puncheon

2020 STORMIN’ Pinot Noir

Big, rich and assertive. Stormin’ offers intense fresh blackberry and Mission fig complimented by bergamot tea, thyme and pennyroyal. A strong wine with muscular tannins and great acidity creates a dynamic and expressive palate while balancing the powerful flavors. A perfect wine for richer meals or to be enjoyed on its own.

SRP	COMPOSITION	WINEMAKING
\$70	100% Pinot Noir	18 months in French oak, 50% new

2020 AFLEET Pinot Noir

Wonderful breadth, depth, and personality in spades. Afleet incorporates four distinct blocks from the vineyard and incorporates 60% whole cluster fermentation to craft a wine with a variety of aromatics. Mandarin, stargazer lily, guava and saffron aromas mingle and develop over time. Stem tannin circles the outer edges on the texture and leaves the mid-palate fresh and juicy.

VINEYARD TOUR

Mt. BRAVE

Mt. Brave produces staggeringly intense and complex wines from its high-altitude estate vineyard in the Mt. Veeder AVA, located in the Mayacamas Mountains. First planted to grapes in the 1860s, this wild and isolated winegrowing region features panoramic views, sparse soils, steep terrain and some of the lowest yields in the Napa Valley. Despite being the largest AVA in Napa Valley, Mt. Veeder produces less than 2% of all its wines.

2019 CABERNET SAUVIGNON

A benchmark vintage, the 2019 Cabernet shows notes of black cherry, blueberry, and Asian spice. On the palate, the wine has a profound density of fruit that is structured by fine tannins while the perfectly balanced acidity elongates a long savory finish.

HISTORICAL VINTAGE OVERVIEW

The wines of Vérité, French for “truth,” are the result of a combination of old world experience and new world, Sonoma County fruit. Each wine is a distinct blend of unique components harvested from small vineyard blocks, culminating in a meticulously formed union of grape varieties, climate, soil expression, and winemaking technique. Vigneron Pierre Seillan refers to this methodology as droit du sol, “right of the soil.” Vérité is dedicated to crafting wines without compromise — wines that reflect the terroir in which they are grown.

2013-2014-2015 LA MUSE

A Merlot-based blend from the top micro-crus of our Estate vineyards, these beautifully aged vintages of La Muse radiate a deep ruby-garnet color, giving rise to refined aromas of ripe red and black plums, worn leather, wild mushroom, freshly turned earth, and sweet baking spices. The palate mirrors the nose and is marked with fine-powdery tannins and bright acidity, driving to a long, focused, and complex finish. Each of these vintages will repay patient cellaring for many years to come.

DAKÉL

In the early 1990's, DAKÉL Winemaker Andrés Sánchez, and vintner friends and colleagues Randy Ullom and Don Hartford, began a decades-long search for the perfect vineyard. The first vines planted at Maricerro in 2007 and are just beginning to tell the story of the remarkable terroir. Influenced by the breeze off the coast and climate from the mountains, these wines showcase the trio's commitment to producing elegant, pure single-vineyard expressions of Pinot Noir and Chardonnay from Chile's Itata Valley.

2021 DAKÉL Chardonnay

This Chardonnay showcases elegant floral aromas and bright minerality with hints of apple, pear and delicate vanilla. This wine has a lush, fresh mouthfeel that expresses subtle pineapple and noticeable tension. Every sip finishes beautifully with a touch of salinity influenced by the proximity to the sea.

SINGLE VINEYARD MAP

Giant Steps focuses primarily on the distinctive expression of single vineyard sites in the Yarra Valley and has forged a reputation for consistently producing highly global acclaimed wines. Giant Steps’ and their grower partners are committed to working towards sustainable farming principles with the express purpose of further distinguishing each vineyard site while improving grape and wine quality. All Giant Steps’ wines are produced using indigenous yeasts, gravity-flow winemaking, and minimal fining and filtration. This approach produces highly expressive wines, true to the climate, soil, and topography of the Yarra Valley.

2022 SEXTON VINEYARD Chardonnay

Located on the steep north facing slopes of the Warramate Ranges, the Sexton Vineyard is exposed and demanding. This results in intensely flavored fruit with high skin to juice ratio and a profile of fresh minerality with melon and white peach flavors.

2022 TARRAFORD VINEYARD Chardonnay

Tarraford Vineyard has a discreet microclimate, that is cooler than neighboring sites. Although located in a warmer part of the valley, the site produces Chardonnay with high natural acids (and low pH) expressing itself through its characteristically long palate, fine tight structure, and a zesty lemon/grapefruit finish.

HICKINBOTHAM

CLARENDON VINEYARD

Hickinbotham Clarendon Vineyard covers a steep cut of country from the ridgetops above the village of Clarendon to the Onkaparinga River in the gorge below. Since its establishment in 1971, the Hickinbotham Vineyard has become a part of Australia’s wine heritage, supplying fruit to produce many of Australia’s greatest wines. Breathing new life into this historic vineyard, winemakers Chris Carpenter and Peter Fraser are forging a new era of Hickinbotham’s prestigious legacy: building upon and honouring the vineyard’s acclaimed pedigree.

2020 THE PEAKE Cabernet Shiraz

Named after the late Mr. Edward John Peake who established the first vineyard and orchard at Clarendon circa 1850. Blending Cabernet Sauvignon and Shiraz is a famous part of Australian winemaking history and whilst the individual components of this wine are mighty, the sum of The Peake’s parts is magnificent. The Cabernet shines aromatically with notes of blackberry pie and dark chocolate, while the Shiraz fills the mid-palate with black plum and toasty oak. Fine tannins and balanced acidity contribute to an incredibly long finish. The Peake continues to honor the legacy of this iconic Australian blend.

Named for the street on which the vineyard is located, Brooks Road Shiraz exhibits the compelling single site character of the vineyard. It marries red, blue and black fruit aromas with perfumed and savoury elements and captures the full flavour of Shiraz with deeply ripe plum and blackberry fruits. The powerful and defined tannins are balanced with even-paced acid structure which accentuates length of flavour and delivers a sense of sustained purity on the palate.

2020 TRUEMAN Cabernet Sauvignon

Trueman is a modern Cabernet that encapsulates all the toil and antiquity of Clarendon. The ability to consistently retain expressive and fragrant aromas and obtain deep tannin ripeness with concentrated fresh flavors makes Trueman one of the estate’s most highly regarded wines. Trueman evokes aromas of ripe blackberries and bittersweet chocolate with hints of rose petal and wild sage. This transitions to an impeccably balanced palate with black plum notes and a fresh acidity interlaced with velvety tannins leading to a long memorable finish.

IGT COLLECTION

DOCG COLLECTION

BRAND VIDEO

Tenuta di Arceno is located in the Chianti Classico region of Tuscany, in the southernmost commune of Castelnuovo Berardenga. Bordered by the ancient walled town of San Gusmè, the estate’s roots can be traced to the pre-Roman Etruscan civilization. Tenuta di Arceno produces two expressions of wine guided by the diverse terroir of the estate. The first collection includes three DOCG wines: Chianti Classico, Chianti Classico Riserva and Chianti Classico Gran Selezione - Strada al Sasso. The second is three IGT Toscana wines based on international varietals: il fauno di Arcanum, Valadorna and Arcanum. All six wines are a true reflection of their terroir and are 100% estate grown and bottled.

2018 ARCANUM

Inviting aromas of sweet mint and vanilla bean delight the senses, underscored by white pepper spice. The palate exudes elegance with a distinctive brightness and soft, fine tannins. Flavors of tart cherries and black licorice are rounded out by a lingering finish of cedar and balsamic notes.

YANGARRA

ESTATE VINEYARD

Yangarra Estate is a biodynamic wine farm located in the Blewitt Springs district of McLaren Vale, South Australia. Recognized for its higher elevation and Mediterranean climate, the estate was first planted in 1946 and is home to 87ha of vines, led by Grenache and Shiraz. The region is unique for its 54 million-year-old geology and wind-blown sands, from which we source only single estate fruit to make wines of provenance.

2021 ROUX BEAUTÉ Roussanne

Right from the earth and stone of its vineyard, we grew and made this Roussanne to be extraordinary. Months mellowing on its skins in big ceramic eggs ensured a wine of luxurious texture and distinctive flavor.

SRP	COMPOSITION	ACCLAIM
